

Made in Saudi Arabia. Made for Saudi Arabia.

AVK Saudi Valves Manufacturing Co. Ltd.

Localization & Compliance

- We manufacture in Saudi Arabia — fully compliant with local regulations and SASO quality mark.

Customers & Projects

- Supplying equipment for NEOM, Red Sea Project, and other mega-projects.
- Strong partnerships with Saudi Aramco, SWCC, NWC, and other key clients.

Jobs & Development

- Creating jobs and training opportunities for Saudi nationals.
- Quick response to client needs — engineering and technical support teams are based in the Kingdom.

Reliability & Supply

- Faster delivery thanks to shorter lead times and reliable logistics.
- Local warehousing for better stock availability
